ISO 9001:2008

Introduction QUALITY MANAGEMENT SYSTEM (CBS 03)

Quality Strategies International

Course Duration: 2 days.

This course is approved by South African Auditor Training and Certification Association who is recognised as a Nationally Authority by SANAS. It is essential as a delegate your efforts are recognised by a national body otherwise your qualification is not worth the paper that it is written on.

The comprehensive training material, case studies and the experience of the instructor sets this course as the benchmark in South Africa. The Learning objectives of this workshop are to provide the delegate with an understanding and knowledge of the SANS ISO 9001:2008 QMS standard.

This is addressed by the following subjects:

Overview of Pro's, Con's and Perceptions	Management responsibility Requirements.
The 8 Principles of the ISO 9000 Series.	Resource management Requirements.
The Process Approach and Flowcharting	Product realisation Requirements.
The Quality Management System	Measurement, analysis and improvement Requirements.
Principles of Documenting the System	The Step by Step Problem Solving Process.

Who should attend?

Those who require comprehension of the ISO 9001:2008 Quality Management System Standard and are tasked with either establishing and maintaining its effective implementation. It is **recommended that management attend** this course to gain an understanding towards what is expected of them and how to demonstrate their commitment towards implementing the QMS.

This course is a prerequisite to sit the SAATCA auditor course and exam **(CBS 05)**
